

The cameras on the tables are disposable. The memories are not.

You're the perfect couple. Planned the perfect wedding. Found the perfect photographer.

But what about all those great candid pictures? You deserve the perfect way to preserve and enjoy those priceless memories, too.

A custom keepsake album from Sentimental Scraps is the perfect way to make sure those priceless memories won't ever fade away. Now you can treasure each other AND each magical moment for a lifetime!

I do ALL the work for you. All you have to do is call!
