Carillon Outpatient Center St. Anthony's Health Care

**YOU'VE OPENED THAT LAST BOX.
NOW OPEN A WHOLE NEW DIMENSION
IN HEALTH CARE.**

The caring experts at the Carillon Outpatient Center want to make you feel right at home.

Just because you're settling in doesn't mean you should settle for anything less than the best health care for you and your family. The good news is you don't have to.

Whether you're looking for a physician, need an imaging test or require immediate care for an injury, everything you need is right around the corner at the Carillon Outpatient Center.

You'll be comforted to know that the only faith-based facility in the Tampa Bay area has all the most advanced equipment and dedicated, compassionate professionals housed in one 145,000-square-foot patient-friendly center.

Call our concierge, Wendy Powell, at (727) 561-2300 for your **FREE personal tour and FREE gift.** Here's a brief description of everything you'll find under one roof.

BAYCARE LABORATORIES

(727) 462-7077

Hours: Monday-Friday, 7:30am-4:30pm

Find all the hospital-based testing services you and your family need—diagnostic blood tests, fluid analysis, microbiology, thyroid tests, urine tests and blood tests—conveniently close to home and work.

CARILLON EXECUTIVE HEALTH

(727) 561-2498

Hours: Monday-Friday, by appointment only

Take care of business and take care of you. Finally—a convenient way to fit a comprehensive, state-of-the-art health assessment and wellness evaluation—all accomplished in a single appointment—into your busy schedule. Get detailed test results, goals, action plans and a follow-up phone consultation all focused on prevention and early detection.

CANCER CARE

(727) 561-2460

Hours: Monday-Friday, by appointment only

Whether the focus is prevention or treatment, rely on our team of diversified experts—physicians, social workers, therapists, dietitians, psychologists and pain management specialists—to deliver the care you need using the most advanced technology including:

- Radiation Therapy—reduces treatment time to a few seconds, compared to several minutes
- Intensity Modulated Radiation Therapy (IMRT)—conforms radiation to the exact size, shape and location of the tumor
- 3-D Conformal Radiation Therapy—pinpoints the exact location of the tumor to limit exposure to non-cancerous tissue
- Comfort Cancer Care Program—works on head-to-toe healing by focusing on your psychosocial and wellness needs including education, support, massage therapy, exercise and nutrition

IMAGING CENTER

(727) 561-2340

Hours: Monday-Friday, 8am-5pm, evening hours available (mammography/X-ray starts at 7am)

Count on thorough procedures, including comparisons to previous studies, plus fast results delivered by highly skilled imaging experts. Same or next day appointments are often available for all phases of imaging—MRI, CT, ultrasound, DEXA, X-ray, fluoroscopy studies and mammography.

IMMEDIATE CARE

(727) 556-2662

Hours: Monday-Friday, 8:30-6:30pm

When you experience minor injuries, you need more than a bandage. You need the right care, right away. Save time and money with our convenient walk-in care for everything from colds or flu, sprains, cuts, breaks, bites and sports-related injuries to physicals, immunizations, and health screenings. Most insurance plans are accepted.

OUTPATIENT REHABILITATION SERVICES

(727) 561-2330

Hours: Monday-Friday, 7am-7pm

Expect plenty of personal attention when your physician refers you for outpatient therapy following an injury, illness or surgery. Working with our experienced therapists, you'll have an active role in goal setting and treatment planning whether it's accomplished through physical, occupational, speech and hand therapy; sports medicine; our state-of-the-art sports training room with video-analysis capability; or an Aquaciser underwater treadmill. Once you've reached your short-term goals, an Extended Care Membership is the perfect way to keep up the good work with a program customized just for you.

PHYSICIAN OFFICES

You'll have two full floors of top-notch physicians to choose from, representing the best in primary and specialty care. Specialties include children's rehab, dermatology, family practice, gastroenterology, general surgery, internal medicine, OB/GYN, oncology, ophthalmology, otolaryngology, podiatry, sports medicine and urology.

WELLNESS CENTER

(727) 502-4444

Hours: Open 24 hours Monday-Friday; Saturday and Sunday, 6am-8pm

Weight loss. Sports skill enhancement. Rehabilitation. Strength development. Adding variety and fun to your workout. Whatever your goals, our nationally certified trainers help you get results—safely and quickly—through education, motivation and personal attention. Take advantage of our state-of-the-art cardiovascular and strength equipment; a full schedule of classes including Pilates, yoga, cycling, toning, dancing and aerobics; 30-minute express workouts; massage therapy; personal training; and nutrition counseling. Reduce stress and improve endurance while enjoying hip hop or karaoke in our sensory-rich cycling theatre. Change your life with our Younger, Trimmer, Fitter program—a ten-week routine based on solid scientific research. Feel refreshed and have fun while mountain biking, kayaking, even horseback riding, through our Outdoor Fitness and Adventure Program.

COME SEE FOR YOURSELF. CALL (727) 561-2300 FOR YOUR FREE TOUR AND GIFT.
