WELCOME TO DURABLE COATINGS

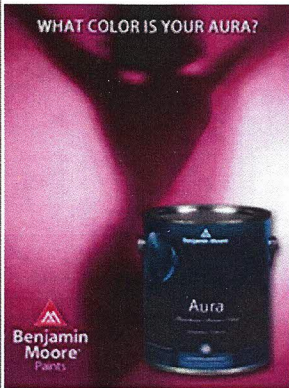

Captivating color. Selection. Personal attention. It's the perfect mix.

You don't need to *be* an expert to create that perfect space. You just have to *know* the perfect one—Durable Coatings.

Color that won't quit. Photo finishes. Expert advice. You'll find it all right here.

Dreaming of your perfect space? You can make it happen with the confidence that comes from having trained professionals to guide you from start to fabulous finish. Your perfect paint color and all the help you'll ever need are right around the corner.

Looking for paint and professionals that'll work with you every step of the way? With more than thirty years in the industry, an entire line of unbeatable **Benjamin Moore** paints, and two convenient locations—we've got you covered no matter what tools you need or which new techniques you're trying to master.

A match made in heaven.

With our precise computerized color matching and tinting, you'll find that perfect match for your fabric, wallcovering, laminate or brick. Leave the guesswork behind and get rich, vibrant color you'll be proud of.

Put your signature on every space.

Get the best of both worlds when you come to Durable Coatings **Benjamin Moore** Signature Stores—the personal attention of a local neighborhood store, backed by the infinite resources of the most respected name in paint. Together we can tackle any application or issue and come through with flying colors.

We make painting fun.

There's nothing more rewarding than taking on a major renovation project and watching your true colors come to life before your very eyes. While we take your satisfaction very seriously, we understand it's just as important that you enjoy the process. That means making sure you have the right amount of paint, the right tools, and you know how to use them. Whether you need a special order, want to have a prep talk, or have a unique space, count on Durable Coatings to make it a memorable experience you'll look forward to enjoying again.

Nice guys. Finish lasts.

Want to work with experienced paint experts that treat you like family? How about paint that glides like butter and leaves a lasting impression? Come to Durable Coatings for satisfaction to last a lifetime.

Your dream space is closer than you think. Call us or stop in today and let your imagination do the rest.
