

Help your patients get back in the game

Any of your patients having a tough time performing routine tasks like walking, eating or working? Unable to enjoy their favorite sports and recreation? Getting your patients back in full-swing is what Bardmoor outpatient rehabilitation services do best.

Physical Therapy with real muscle

Bardmoor Rehabilitation Services cover a full range of physical therapies for your patients of all ages who may be suffering with physical injuries and disabilities. You can refer your patients with complete confidence, knowing that no matter what the problem is, it's no problem for Bardmoor's highly trained, fully licensed experts.

- Neurologic issues including stroke and Parkinson's disease
- Trouble with balance
- Neck and back pain
- Orthopedic conditions
- Hip or knee replacement
- Sports injuries
- Tears and repairs of shoulder rotator cuffs

Quick and safe recovery you can count on

Providing one-on-one care, our certified professionals develop a customized treatment plan designed to meet each patient's unique needs. Our goal—to have patients getting around better than ever before, as quickly and safely as possible. The best possible care from a name you trust.

For more information, or to make a referral, call (727) 394-5700.
